

(a) Find the total time taken for the journey from O to P . [3]

This image shows a full page of white paper with horizontal dotted lines. The lines are evenly spaced and run across the width of the page, providing a guide for handwriting practice. There are no margins, text, or other markings on the page.

-
- A blank coordinate system for plotting position s (m) versus time t (s). The vertical axis is labeled s (m) and the horizontal axis is labeled t (s). The origin is marked with 0. The horizontal axis has tick marks at 10 and 40.

This image shows a full page of white paper with horizontal dashed lines, typical of primary school writing paper. The lines are evenly spaced and run across the entire width of the page. There are no margins, text, or other markings present.
